What To Bring to Oakhurst Summer Horse Camp!

During the camp, children will be participating in many activities, including some basic gymnastics, working on a vaulting barrel, working around and riding horses, playing games and making dazzling crafts! To get the most out of their time at camp, we suggest they have the following items with them:

- **Lunch** we will provide some snacks, however the children will be busy all day, and a few extra munchies and a healthy lunch will help keep them fueled to enjoy the day from start to finish.
- Water and drinks July and August can be pretty hot. While we will try to stick to the shade, all of our activities require energy. The water at the farm is from a well and may not taste like the water from your home so we suggest sending water and drinks to ensure your child stays hydrated.
- **ASTM approved riding helmet** Helmets are worn during all horse related exercises, so we like to make sure everyone is protected. These helmets are available from local tack stores if you need assistance finding one, ask us for help!
- **Boots with a small heel** Riding with stirrups and working around horses requires children to have their feet adequately protected. These do not have to be riding boots, any boots should work rubber boots, cowboy boots, etc.
- **Soft shoes** Voltige is similar to gymnastics on a barrel or pommel horse. We prefer not to use boots for the Voltige exercises, they can overbalance a child and make it hard to move their feet. Soft flexible shoes work the best for these exercises. We suggest water socks, gymnastic or ballet slippers, Toms slip on shoes or something similar. They don't need to be fancy, they will get dirty!
- Comfortable stretchy clothing nothing that is likely to get in their way while doing gymnastics. Pants will need to be worn to work with horses, children will be able to change into cooler clothes, like shorts once the riding portion is complete. A change of clothes is a great idea to pack, just in case.
- Sunscreen and a sun hat
- Bug spray horses attract flies. So do sweaty kids!

We know that the first time going to a new camp can be scary, if you would like to arrange a visit to Oakhurst prior to camp starting, have any questions or need further information, please contact our Camp Coordinator: Megan Jenner at meganjenner2@hotmail.com
